

The 105th MANA Special Seminar

Briefing of Grant-in-Aid of Scientific Research "Kaken-Hi"

✓ Strategy to Get KAKENHI

by Prof. Hideomi Koinuma (NIMS Senior Advisor Emeritus)

✓ Keys to the Scientific Research (S)

by Dr. Naoki Ohashi (MANA PI)

✓ Keys to the Grant-in-Aid for Young Scientists

by Dr. Kentaro Tashiro (MANA Scientist)

✓ Questions and answers

Chair: Dr. Hidehiko Tanaka

"Kaken-Hi" is the most comprehensive research grant in this country. Every researcher working at NIMS including postdoc is requested to apply. Experienced scientists will give you some tips that should help. All the lectures will be given in English and non-Japanese scientists are particularly welcome to attend.

Venue: 4F, Large Seminar Room, Collaborative Research Bldg.

Date: Sep 28th Monday **Time:** 15:30-16:30

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakata (ex. 8806)
