

The 133rd

ICYS & MANA

Joint Seminar

The 66th

15:30-16:00

Dr. Antonio Torralba

ICYS-Sengen Researcher, NIMS

Title: Towards Electronic Charge Density Calculations of Complete Biomolecules in Explicit Solvent Using Linear Scaling DFT

Chair: Dr. Tsuyoshi Miyazaki, Computational Materials Science Center (NIMS)

16:00-16:30

Dr. Jun Chen

ICYS-MANA Researcher, NIMS

Title: EBIC and CL Studies of Grain Boundaries in Multicrystalline Si

Chair: Dr. Tomonobu Nakayama, MANA Principal Investigator (NIMS)

Venue: 8F, Small Conference Room, Central bldg., SENGEN Site

Date: March 12th, Friday Time: 15:30-16:30
