

The 184th MANA Special Seminar

15:30-16:15 **Prof. Anna Boczkowska**

*(Materials Science and Engineering,
Warsaw University of Technology, Poland)*

**Role of the microstructure in property formation
of magnetorheological elastomers**

Chair: Dr. Katsuhiko Ariga (MANA PI)

~~~~~  
**16:15-17:00**

**Prof. Qian Niu**

*(Department of Physics, University of Texas, USA)*

**Berry phase effects on charge and spin transport**

Chair: Dr. Xiao Hu (MANA PI)

**Venue** Seminar Room #431, 4F, MANA Bldg.

**Date:** **November 18<sup>th</sup> (Thu)** **Time:** **15:30-17:00**

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
