

The 191st MANA Special Seminar

15:30-16:15 Dr. Motohiro Nishio

(The CHPI Institute, Japan)

**The CH/ π hydrogen bond - Implication in
supramolecular chemistry, conformation, and
biological science** Chair: Dr. Katsuhiko Ariga (MANA PI)

16:15-17:00 Dr. Prasanth Jose

(School of Basic Science, Indian Institute of Technology, Mandi, India)

**Microscopic origin of anisotropic scattering
patterns in semi-dilute polymer solutions under
steady shear flow**

Venue Seminar Room #431, 4F, MANA Bldg.

Date: January 11th (Tue) Time: 15:30-17:00

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
