

# The 53rd MANA Seminar

**15:30-16:00**

**Dr. Kazuya Terabe** (*MANA Scientist*)

**Title: Control of local ion transport to develop unique functional nanoionics devices**

**16:00-16:30**

**Dr. Masanori Mitome** (*MANA Scientist*)

**Title: Quantitativeness of phase measurement by transport intensity equation**

**Venue: Seminar Room #431, MANA Bldg., Namiki**

**Date: Jan 16<sup>th</sup> Friday Time: 15:30-16:30**

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
