

The 90th MANA Special Seminar

15:30-16:15 Prof. Hiromitsu Maeda

(Institute of Science and Engineering, Ritsumeikan University)

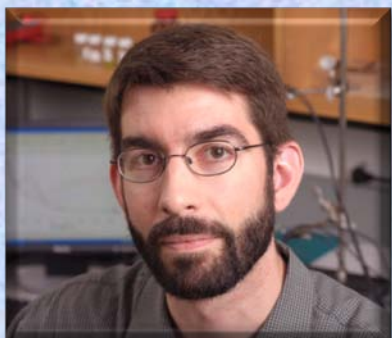

**CHARGE-BY-CHARGE ASSEMBLIES FROM
 π -CONJUGATED ACYCLIC ANION RECEPTORS**

Chair: Dr. Masayuki Takeuchi (Organic Nanomaterials Center)

16:15-17:00 Prof. John Dayton Tovar

(Department of Chemistry, Johns Hopkins University, USA)

**Topological and supramolecular considerations for
organic electronics: from unusual aromaticity to
bioelectronic nanomaterials**

Chair: Dr. Masayuki Takeuchi (Organic Nanomaterials Center)

Venue: Seminar Room #431, MANA Bldg.,

Date: July 6th Monday **Time:** 15:30-17:00

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
