

The 93rd

MANA & ICYS Joint Seminar

The 43rd

15:30-16:00 Dr. Kohsaku Kawakami (MANA Scientist)

Particle nanofabrication by spray-drying: Towards understanding dynamic interfacial phenomena during the drying process
Chair: Dr. Yuji Miyahara

16:00-16:30 Dr. Yasuhiro Shirai (ICYS-MANA Researcher)

Templated synthesis and characterization of conductive polymeric nanowires
Chair: Toyohiro Chikyo

Venue: Seminar Room #431, MANA Bldg.,

Date: July 17th Friday **Time:** 15:30-16:30

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
